We are delighted that you are interested in spending your holiday at the destination Zermatt-Matterhorn. Please read these General Contractual and Travel Terms and Conditions (GCTTC) carefully. They constitute an integral part of every contract.

1. **Scope**
   1.1. These GCTTC shall govern the contractual relationship between you and Zermatt Tourismus (ZT) for the package holidays arranged by us along with other travel and accommodation services.
   1.2. These GCTTC distinguish between package holidays and other travel and accommodation services. A holiday shall be deemed to be a package holiday if at least one additional travel service is offered by ZT at an all-in price in addition to accommodation services.
   1.3. If other travel and accommodation services are arranged for you by ZT on behalf of and on the account of another service provider / third party supplier that do not fall within the definition of a package holiday pursuant to paragraph 1.2. of these GCTTC (e.g. service provider / third party supplier accommodation or services), ZT shall not be a contractual partner. The terms of cancellation and payment of the service provider / third party supplier shall apply along with its General Terms and Conditions of Business. Should this occur, we shall not accept any liability for the services rendered by service providers / third party suppliers. The failure to provide such services on any grounds whatsoever shall have no impact on the relationship between us. We refer in particular to their liability conditions, which may be consulted with service providers / third party suppliers.

2. **Conclusion of the contract and services**
   2.1. The contract between you and ZT shall be concluded upon acceptance of your written or oral booking by ZT and shall have definitive effect from this time. These GCTTC shall apply to all members of the travel party.
   2.2. The services are specified in the service description provided in brochures, on the internet and/or in the booking confirmation. The number of persons specified in the contract shall be adhered to under all circumstances and may not be exceeded without the express approval of ZT and the service provider / third party supplier. If such approval is not sought and granted, the contract may be terminated by ZT without compensation.

3. **Payment terms / prices**
   3.1. The prices in Swiss francs stated in the booking confirmation are binding. Price adjustments may only be made in the event of the introduction of or increases to fees, charges or taxes, increased transport costs or the like until 3 weeks prior to the start of the holiday.
   3.2. If a package holiday is booked the price shall be payable in advance upon conclusion of the contract. Payment for other travel and accommodation services falling under paragraph 1.3. of these GCTTC shall be made to the relevant service providers / third party suppliers and shall be subject to the relevant terms of cancellation and payment and General Terms and Conditions of Business.
   3.3. In the event of an evidently erroneous booking caused by errors in the booking system, the prices agreed upon shall be invalid. Should this occur, ZT shall be entitled to cancel the booking without compensation.

   4.5. A no-show shall be treated in the same manner as a cancellation. In such an eventuality, ZT or the service provider / third party supplier shall be entitled to charge the amount owed to the credit card that was provided
4.6. If you are unable to use the holiday booked, you may in principle specify a replacement, who shall take on the holiday under the same terms.
