Version October 2018

Gornergrat – The Matterhorn Experience

If you want to discover the dazzling beauty of the Alps, you'll soon realise that the trip to Gornergrat is an essential excursion. Its sunny viewing platform, accessible all year, makes the Gornergrat ridge a top destination – and not just because of its altitude. Surrounded by 29 peaks rising above 4000 m and by Switzerland's greatest mountain, the Matterhorn, and second largest glacier in the Alps, it offers a spectacular mountain panorama second to none. And the "Matterhorn Railway" renders it so close you can almost touch it. For more than 120 years the Gornergrat Bahn has been making the ascent to the panoramic mountain a truly unique and wonderful experience. From Zermatt, the popular holiday resort in the Valais, Europe's highest open-air cogwheel railway departs daily every 24 minutes, climbing to the Gornergrat 9339 m away. The train crosses impressive bridges, galleries and tunnels, idyllic forests and alpine meadows, past rocky gorges and tarns, accompanied by the majestic mountains, first and foremost by the Matterhorn.

Gornergrat means:

Dining with the stars Gornergrat

At 3,100 m, your hosts up at the Kulm Hotel Gornergrat serve a great buffet with “Fondue Chinoise” (with meat) followed by dessert. Your local guide to the stars, Peter Salzmann, will then explain the star constellations and how they were influenced by the ancient Greek sagas. If the weather gods are willing, then you will have a spectacular view of the night sky from the hotel's terrace. The highlight of the evening is to see the stars by telescope from the dome in the observatory. When the weather is favourable the sight is amazing. Zermatt Open-Air Theatre

Europe's highest open-air theatre on Gornergrat

The Zermatt Open-Air Theatre 2019 goes into its third year with the play "MATTERHORN: NO LADIES PLEASE!" The play, once again written by Livia Anne Richard, tells the story of Lucy Walker. Walker was the first woman to conquer the Matterhorn and, clothed in a white dress, she reached the summit in 1871. This was at a time when society frowned on – and even tried to forbid – women mountaineers. This didn't bother Lucy Walker in any way. She just went on her way upwards with charm and wit...

11.07. – 01.09.2019 on Riffelberg/Gornergrat.

Pop-up-exhibition at Gornergrat

Rock stars: Ladies on the Matterhorn

The gentlemen were the first, but the ladies soon caught them up. In 1871, six years after the men had first climbed the Matterhorn, 34-year old Lucy Walker was the first female mountaineer to stand on its summit. Further adventuresses followed her. The exhibition reveals who these women were and how they reached the summit. A steep approach for all theatre guests at the "MATTERHORN: NO LADIES PLEASE!"

Open daily from mid-July to the end of October 2019.
Admission free.

Riffelhaus 1853 – The Ultimate Ski in & Out

At Riffelhaus, situated 2500 m a. s. l., the majestic mountains of Zermatt invite guests to share and wonder at their glorious alpine setting high above the everyday world. Located directly on the slopes, the Riffelhaus is the ideal starting point for a superb day of skiing on 360 kilometres of perfectly groomed pistes. Wireless Internet available free of charge throughout the hotel.

Since the reconstruction in 2014, the hotel now features a spa centre with an unrivalled view of the Matterhorn and 25 newly renovated rooms, all of which radiate a distinctive alpine chic.

Restaurant, lounge and ski bar

The cuisine at Riffelhaus 1853 is regional and tasty. The menu features mainly Swiss specialities. Guests can meet in the lounge or in the ski bar for a drink or to sample the buffet of specialities from the Valais region as the heavy snow falls outside.

Spa and health with a view of the Matterhorn

Outdoor Whirlpool, sauna, steam bath and relaxation room are the perfect complement to all activities around the Riffelhaus 1853.

Weddings at Riffelhaus 1853

The ceremony will be held in the mountain chapel right next to the hotel. After the ceremony, the wedding party can enjoy a drinks reception on our sun terrace with a view of the majestic Matterhorn, followed by the wedding breakfast in the restaurant. All the bride and groom have to do is say «I do».
